

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,
and Handling of Food."

2610 '99 MAY 18 P2:02

I want the FDA to continue prominent labeling of food that has
been treated with irradiation. The label should be conspicuous and
include the logo for irradiation.

Your Signature: Kan Atwell

Additional comments: This is obviously a good thing
for the consumer. Please put the consumer first.
Irradiation may be safe for now, but other ramifications,
such as quality, take time & further research.

98N-1038
